

## CALL FOR APPLICATIONS FROM RESIDENTS AND FELLOWS

**HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”**

**Tuesday, May 7 - Wednesday, May 8, 2019**

**Prior to the HTRS/NASTH 2019 Scientific Symposium**

**Hilton New Orleans Riverside, Two Poydras Street, New Orleans, LA 70140**

**Applications are due Friday, March 29, 2019 by 11:59 PM ET**

*This activity is supported by educational grants from founding supporter, Novo Nordisk Inc., and Grifols.*

---

The Hemostasis and Thrombosis Research Society (HTRS) is now accepting applications from residents and fellows to attend the following educational activity:

**Event Title:** HTRS Trainee Workshop: “Building a Career in Hemostasis and Thrombosis”

**Date/Time:** The Workshop begins with a Welcome Reception and opening sessions Tuesday evening, May 7, 2019 from 5:00 PM to 9:00 PM CT. A full day of interactive case discussions, faculty presentations, and small group breakout sessions follows on Wednesday, May 8, 2019 from 7:00 AM to 4:30 PM CT.

**Location:** Hilton New Orleans Riverside, Two Poydras Street, New Orleans, LA 70140

### **Applicant Eligibility Requirements**

This Workshop is open to **30 MDs or DOs in training** (residents or fellows) interested in building careers in hemostasis and/or thrombosis in pediatric or adult medicine. If there are more than 30 competitive applications, preference will be given to applicants who have not previously attended an HTRS Trainee Workshop.

### **Workshop Description**

This non-CME educational event will be held from May 7-8, 2019, just prior to the HTRS/NASTH 2019 Scientific Symposium (May 9-11, 2019). The goal of “Building a Career in Hemostasis and Thrombosis” is to attract trainees to the field for the benefit of current and future patients with hemostatic and thrombotic disorders. The program is a dynamic mix of case presentations by attending trainees, interactive presentations by faculty, small group breakout sessions, and time for networking.

---

Hemostasis and Thrombosis Research Society, Inc.  
PO Box 2178, Milwaukee, WI 53201-2178  
8733 Watertown Plank Road, Milwaukee, WI 53226-3548  
(414) 937-6569 Fax (414) 937-3864 [www.htrs.org](http://www.htrs.org) htrs@bcw.edu

The scientific content and agenda for this Workshop are designed by the HTRS Trainee Workshop Planning Committee comprising HTRS physician members in hemostasis and thrombosis. The Committee ensures that the program is free from commercial bias. (Although this Workshop is non-CME, HTRS follows best practices in CME education to plan and coordinate educational content.)

Meeting logistics and support are provided by Talley Management Group (“TMG”) of Mt. Royal, NJ. For more information on HTRS Workshops and educational opportunities in hemostasis and thrombosis, including resources for residents and fellows, visit [www.htrs.org](http://www.htrs.org).

### **Application Deadline**

Applications to attend the Workshop prior to the HTRS/NASTH 2019 Scientific Symposium are due Friday, March 29, 2019 by 11:59 PM ET.

### **How to Apply**

Interested residents and fellows must complete and submit the online Application Form located at:

<https://www.eiseverywhere.com/2019presymposium>

*Note: If this live hyperlink does not work for you, please copy and paste the URL into your browser to access the Application Form.*

### **Change to the 2019 Trainee Workshop Application Process**

The 2019 application process is slightly different than for previous Workshops, when the applicant’s Medical Residency Program Director, Fellowship Program Director, or other mentor was required to complete and submit a nomination form on behalf of the applicant.

Beginning with this Workshop, applicants should complete and submit their own Application Form, including a required Letter of Support from their Medical Residency Program Director, Fellowship Program Director, or other mentor.

Technical issues with the Application Form should be directed to Danielle Barsuglia, Meeting and Events Manager, at [dbarsuglia@talley.com](mailto:dbarsuglia@talley.com).

The Application Form includes fields to upload the following required components:

- a. **Letter of Support.** A letter from the applicant’s Medical Residency Program Director, Fellowship Program Director, or other mentor should explain in 100 words or less why the applicant is a good candidate for this Workshop.
- b. **Candidate’s Statement.** The applicant should explain in 500 words or less why attending this Workshop is important to his/her career plans.
- c. **An interesting clinical case to be considered for oral presentation during the “Trainee Case Presentations” Session.** A popular feature of this Workshop is a session wherein four trainees who are pre-selected by the Planning Committee present an interesting clinical case for discussion. Trainees selected for oral presentation will be paired with a mentor from the Workshop faculty prior to the event.
- d. The applicant’s **NIH Biosketch** or **Curriculum Vitae**

### **Notification of Acceptance**

All applications will be reviewed by the HTRS Trainee Workshop Planning Committee the week following the March 28, 2019 application deadline. Applicants will be notified of acceptance via email the week of April 8, 2019.

## Expenses Reimbursed by HTRS

HTRS will reimburse up to \$750.00 USD total for the following expenses, with receipts, up to 30 days following the Workshop:

- Round-trip, coach-class airline, train, or bus tickets (includes fare and change fee, if incurred)
- Ground transportation to and from the airport, train, or bus station and the hotel (via taxi, Uber, or Lyft)
- Mileage and parking. If you plan to drive to the Workshop, HTRS will reimburse up to a total of 1,215 miles at the standard federal rate of \$0.535 USD/mile. Daily parking fees, not to exceed \$50.00 USD per day for two days, will also be reimbursed. Any mileage or parking expenses exceeding the maximum reimbursement amount are at your own expense
- Per diem for meals on travel days not to exceed \$65.00 USD per day

## Disclosure of Compliance and Reporting Under *Open Payments: The Physician Payments Sunshine Act*

This educational activity is deemed reportable by law under *Open Payments: The Physician Payments Sunshine Act* ("Sunshine Act"). It is possible that HTRS may be required to share the names and institutional affiliations of participating physicians (both attendees and faculty) at the request of our pharmaceutical company sponsors. Therefore, it is the responsibility of individual attendees to know if their institution mandates specific restrictions regarding the Sunshine Act, as regulations differ by state. If you have questions about the Sunshine Act as it pertains to this educational activity, please contact HTRS at [htrs@bcw.edu](mailto:htrs@bcw.edu).

## Workshop Supporters

This HTRS Trainee Workshop, "Building a Career in Hemostasis and Thrombosis," is supported by educational grants to HTRS from Novo Nordisk Inc. (founding supporter) and Grifols. HTRS is solely responsible for developing the agenda and overseeing the presentation of scientific content free from commercial bias.

## HTRS Mission Statement

The Hemostasis and Thrombosis Research Society (HTRS) is the leading North American professional society dedicated to research, mentoring, workforce development, and continuing medical education for physicians, investigators, and all health care professionals interested in advancing care for people with hemostatic and thrombotic disorders. Visit us at [www.htrs.org](http://www.htrs.org).

## Questions?

For technical support with the Application Form or any questions about travel or lodging, please contact Danielle Barsuglia, Meeting and Events Manager, Talley Management Group at (856) 423-7222, ext. 281 or [dbarsuglia@talley.com](mailto:dbarsuglia@talley.com).

We look forward to a successful Workshop and to meeting our future leaders in hematology!
